

Dr. M. K. K. Arya Model School

Mock Test
Class-III
Sub- English

Time: 3hours M.M-60

Name _____

Date: _____

Section A(Reading)

1. Read the following passage and answer the following questions: (5)

Camels are found in deserts. They run very fast, and can travel long distances in these areas. Nature has provided them with an extra stomach where they can store water. Though the camel is ungainly in appearance, yet it is highly useful to man, especially in the sandy deserts .In countries like Arabia it is employed for ploughing and riding and also as a means of transportation of goods .That is why it has been rightly described by some imaginative person as the ship of the desert. It means that it is as useful in a desert as a ship in the sea.

Answer the following questions.

a. Where are camels found?
