

Dr. M.K.K. Arya Model School
Assignment Class IV
Ch 22, Our Goals, Rights and Duties

Answer the following:-

1. What does the new fundamental right Right to education tells us about?

Ans. Right to education was added in the constitution in 2002 and was implemented in the 2010. According to this, it is the right of the children to get free and compulsory education from 6-14 age group.

2. Write the Directive Principles mentioned in our constitution?

Ans. 1) To provide free and compulsory education to children upto the age of 14 years.

2) To provide work to all men and women.

3) Equal wages for both men and women.

3. What are our Fundamental duties?

Ans. 1) We must obey the laws of our country.

2) We must respect our National flag and National anthem.

3) We must protect the unity of our country.

4) We must pay our taxes.

5) We must protect our natural environment

4. What do you mean by fundamental rights?

Ans. Fundamental rights are the basic rights which every citizen of India has the liberty to enjoy. These rights are given to us by our constitution.

5. Being the citizen of India, what should be done if someone is deprived of his/her Fundamental rights?

Ans. If a citizen feels that he/she is deprived of his/her Fundamental rights, he or she can go to the court.

6. What are Fundamental duties?

Ans. Like Fundamental rights, we have some duties towards our country called Fundamental duties.
