Havan Ceremony for the Commencement of Session 2026–27

April 01, 2026

To mark the commencement of the new academic session 2026–27, a sacred Havan ceremony was performed in the school premises, seeking divine blessings for the students and the continued growth of the institution.

The ceremony was graced by honourable Principal Dr. Manoj Sarin, Academic Advisor Ms. Manju Setia, Language and Activity Incharge Ms. Meera Marwaha, Administrative Officer Mr. Deepak Girdhar and Finance Controller Mr. Jasbir, along with the enthusiastic participation of the teaching faculty.

The Havan was conducted in a serene and spiritual atmosphere, filling the surroundings with positivity and devotion.

The ceremony marked an auspicious beginning to the new session and inspired everyone to start the year with dedication, positivity and renewed enthusiasm.

Overall, the event was solemn, meaningful and a blessed beginning to Session 2026–27.

A Beautiful Beginning!

April 02, 2026

Our little stars stepped into their kindergarten journey with bright smiles, curious eyes, and tiny steps full of confidence. The first day of school was filled with laughter, new friendships, colourful classrooms and joyful learning.

From cheerful greetings to fun activities, it was heartwarming to see our young learners settle in so happily. Here's to a wonderful year ahead filled with growth, creativity and endless happiness.

Magic of Colours

April 04, 2026

Grades: Nur. to U.K.G.

The “Magic of Colours” activity was conducted for the students of Nursery to U.K.G. to introduce them to the vibrant world of colours in a fun and engaging way. The activity aimed to enhance colour recognition, creativity and fine motor skills among the children.

The session began with a simple interactive introduction to basic colours using examples from the children’s everyday surroundings. Colouring worksheets with attractive images were then distributed according to the students’ age groups.

The children enthusiastically participated and enjoyed colouring the pictures using a variety of colours. Teachers guided the students individually and encouraged them to colour neatly and creatively. The activity helped improve hand-eye coordination, colour recognition and self-expression.

Overall, the activity was joyful, meaningful and a successful learning experience for the students.

Magic of Colours

April 04, 2026

Grades: I to III

Our school organized a joyful and creative activity titled “Magic of Colours” for Classes I to III. The main objective of this activity was to help young learners explore the vibrant world of colours and understand their importance in our daily lives. The tiny tots participated with great enthusiasm and excitement. They showcased their creativity through colouring, painting and craft activities. Students used different colours to express their ideas and imagination beautifully. Some children also spoke a few lines about their favourite colours and what those colours represent, such as nature, happiness and emotions.

The classrooms were filled with bright and cheerful artwork, making the environment lively and engaging. Students learned about primary and secondary colours, colour mixing and how colours can change the mood and appearance of objects. Teachers guided and encouraged the students throughout the activity, appreciating their efforts and creativity. They also explained how colours play an important role in art, nature and everyday life.

The activity not only enhanced the artistic skills of the students but also improved their confidence, observation and expression.

Overall, it was a fun-filled and meaningful experience that brought smiles to everyone's faces and added colours to their learning journey.

World Health Day Vibes!

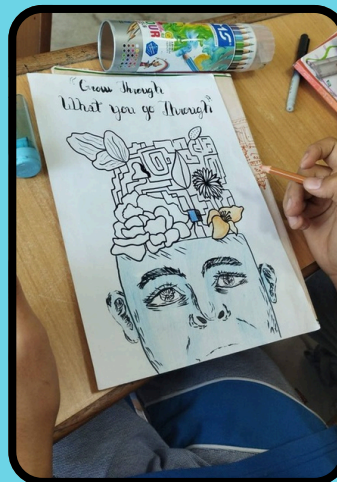

April 04, 2026

Grades: IV - X

Creativity met awareness as our students marked World Health Day with full enthusiasm!

World Health Day was celebrated with great enthusiasm in the school through creative activities aimed at promoting health awareness among students.

Students of Classes IV to VIII participated in a Slogan Writing Activity on themes such as Health is Wealth, Healthy Habits and Wellness, expressing thoughtful ideas on the importance of good health. Students of Classes IX and X showcased their creativity through a Poster Making Activity highlighting topics like mental health, nutrition and hygiene.

The campus was filled with meaningful messages and vibrant displays that reflected the students' awareness and creativity. The activities encouraged young minds to spread the message that health comes first and inspired everyone towards a healthier lifestyle.

World Health Day – Healthy Beginning, Hopeful Future

April 07, 2026

Grades: IV - VIII

World Health Day was celebrated with great enthusiasm in the school to promote the importance of a healthy lifestyle among students. The theme of the celebration was “Healthy Beginning – Hopeful Future.”

The day began with refreshing yoga sessions for Class IV, where students practiced simple asanas and breathing techniques for physical and mental well-being. This was followed by energetic aerobics sessions for Classes V to VIII, creating an atmosphere of enthusiasm and positivity.

The activities aimed to spread awareness about physical fitness, mental wellness and the importance of developing healthy habits from an early age. Students participated actively and enjoyed the sessions with great excitement. The celebration inspired students to adopt a healthy lifestyle and reinforced the message of a healthier today for a brighter tomorrow.

World Health Day Celebration

April 07, 2026

Grades:Nur.-U.K.G

World Health Day was celebrated with great enthusiasm in our school for Nursery to U.K.G. students. The theme of the celebration was “Keeping Healthy through Aerobics.” The aim of the event was to promote healthy habits and physical fitness among young learners.

The students actively participated in a fun-filled aerobics session, where simple and engaging movements were taught to them. As part of the celebration, a fun and creative thumb activity was also conducted. The activity was not only enjoyable but also helped develop the children's creativity and fine motor skills. The students participated with great excitement and showcased their artistic abilities.

World Health Day Celebration

April 07, 2026

Grades: I - III

World Health Day was celebrated with great enthusiasm in our school for Classes I to III. The main aim of the celebration was to make children aware of the importance of good health and healthy habits.

The programme began with a short introduction to World Health Day and an explanation of why it is important to stay fit and active.

A special yoga session was organized for the children. The students actively participated in simple yoga exercises and breathing activities. These activities helped them feel relaxed, refreshed and energetic. The teachers guided the students and explained how yoga helps in keeping both the body and mind healthy.

The celebration was very successful and enjoyable. It helped the students understand that “Health is Wealth” and inspired them to take care of their health every day.

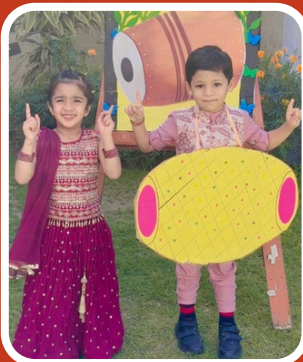

Baisakhi Celebration in Kindergarten

April 10, 2026

Grades: Nursery to U.K.G

Vaisakhi was celebrated with great joy and excitement in our school for Nursery to U.K.G. students. The main aim of the celebration was to introduce our little learners to this colourful harvest festival. The celebration began with a short and simple introduction to Vaisakhi. The children were told that it is a festival of happiness, harvest and gratitude towards nature. They enjoyed listening and learning new things in a fun way.

A special activity session was organized in which the children participated in fun dances to Punjabi music like Bhangra. The tiny tots looked adorable in their bright traditional dresses, which made the celebration even more lively and cheerful. The students also enjoyed simple activities like clapping, moving to music and expressing joy with their friends. Teachers guided them with love and explained the importance of sharing, happiness and saying "Thank You."

The celebration was full of smiles, laughter and energy. It helped the children understand the spirit of Vaisakhi in a joyful and simple way.

Overall, the day was colourful, fun-filled and memorable for everyone.

HOUSE MEET 2026–27

AASTHA

AHIMSA

April 15, 2026

NISHTHA

SHAKTI

The House Meet for the academic session 2026–27 was organized at Dr. M.K.K. Arya Model School, Panipat, with the aim of promoting leadership, teamwork, student engagement and a spirit of healthy competition.

The programme was conducted in a well-organized manner with the participation of all four houses—Aastha, Ahimsa, Nishtha and Shakti. The session began with ice-breaking activities, followed by the presentation of house mottos and interactions related to house activities. Students enthusiastically participated and showed keen interest in various cabinet roles, reflecting confidence and leadership qualities.

Principal, Dr. Manoj Sarin addressed the students and emphasized the importance of cleanliness, discipline and responsibility. The House System Incharges, House Masters and House Members motivated the students and ensured active participation throughout the event.

The meet concluded successfully, laying a strong foundation for the smooth functioning of the House System and inspiring students to contribute actively throughout the session.

Spellathon(Hindi Activity)

April 18, 2026

Grades : IV to X

A Spellathon (Hindi Activity) was organized for students of Classes IV to X with the aim of enhancing their spelling skills and vocabulary.

The activity was conducted in the classrooms, where students were given word bank worksheets and asked to identify and write correct spellings. The students participated with great enthusiasm and interest and many performed exceptionally well. The activity helped improve spelling accuracy, concentration, language proficiency and confidence.

Principal Dr. Manoj Sarin, Academic Advisor Ms. Manju Setia and Language & Activity In-charge Ms. Meera Marwah appreciated the efforts of the students and emphasized the importance of correct spelling and pronunciation.

The activity concluded successfully and motivated students to further strengthen their language skills.

Anti-Dowry Pledge

April 18, 2026

A powerful start to the day as students of Dr. M.K.K. Arya Model School took an Anti-Dowry Pledge during the morning assembly. With strong voices and stronger values, they pledged to stand against dowry and uphold dignity, equality and respect in society. Small steps today, stronger change tomorrow.

My First High Five

April 18, 2026

Grades: Nur. to U.K.G.

Our school organized the “My First High Five” activity for Nursery to U.K.G. children. The activity involved making hand impressions using colours. Children dipped their hands in paint and made colourful handprints on paper. The activity was fun, creative and enjoyable for all students. It helped in developing their fine motor skills, hand-eye coordination and creativity. The children were very excited to see their handprints and participated with great enthusiasm.

The classroom atmosphere was cheerful and interactive. The students followed instructions well and enjoyed using different colours. The activity also encouraged confidence and self-expression among the children.

Overall, the High Five Hand Impression Activity was a great success and created happy learning memories for the children.

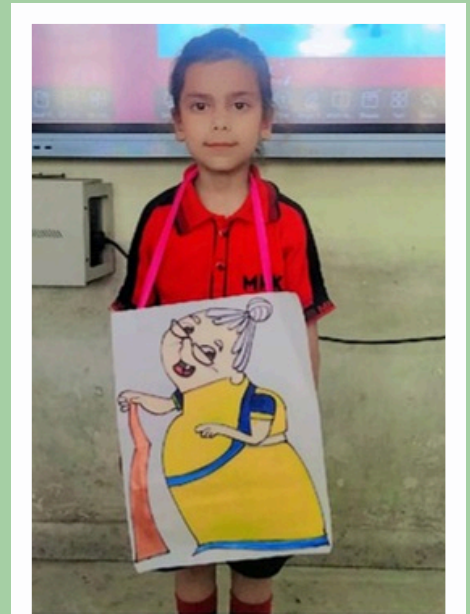

My Story, My Smile

April 18, 2026

Grades: I- III

An introduction activity titled “My Story, My Smile” was organized for the students of Classes I to III with the aim of building confidence and encouraging self-expression.

The students came forward to introduce themselves by sharing details such as their name, class, age, favourite colour, favourite subject and hobbies. Some children also spoke about their dreams and future goals. They participated with enthusiasm and spoke confidently before their classmates.

The activity was interactive and engaging, helping students improve their speaking skills and develop confidence. It also created a warm and friendly classroom environment, making the children feel comfortable and connected with one another.

Capacity Building Programme – Hindi Course B

April 18-19, 2026

A two-day Capacity Building Programme on Hindi Course B was attended by four teachers from the Hindi faculty of Dr. M.K.K. Arya Model School at Prayaag International School, Panipat. The participating teachers—Ms. Veena Mishra, Ms. Vandana, Ms. Rajni Takkar and Ms. Kavita Aneja—actively engaged in the sessions and gained valuable insights. The enriching sessions were conducted by esteemed resource persons Dr. Virendra Singh, HOD, DAV Centenary Public School, Narela, Delhi and Dr. Nirmal Popli, Former Principal, Shiksha Bharti Public School, Rohtak. The programme proved to be highly insightful, enhancing pedagogical skills and strengthening subject understanding, thereby contributing to effective classroom practices.

Painting & Poster Making Competition

April 21, 2026

Grades: IX to XII

Under the guidance of the Legal Services Authority, students of Classes IX to XII participated in a Painting & Poster Making Competition on the theme Earth Conservation and Environmental Protection. The activity provided a meaningful platform for students to express their ideas on environmental protection through art, reflecting creativity, awareness and responsibility towards a greener future. Selected students will represent the school at the District Level Competition, carrying forward this important message.

Earth Day Celebration

April 22, 2026

Grades: IV to X

Earth Day was celebrated with great enthusiasm in the school through vibrant activities and meaningful initiatives to promote environmental awareness. Students of Classes IV to X participated in a Book-Mark Making Activity, creating book-marks with messages such as Save Earth, Plant Trees and Reduce, Reuse, Recycle, reflecting their concern for the environment.

Adding to the celebration, students of Class IX organized an inspiring Earth Day Rally to spread awareness about eco-friendly practices.

The event was further enriched by a Tree Plantation Drive led by Honourable Principal, Dr. Manoj Sarin, symbolizing a step towards a greener and healthier future.

The celebration encouraged students to become responsible guardians of the Earth and reinforced the importance of taking small but meaningful steps to protect our planet.

World Earth Day Celebration

April 22, 2026

Grades: L.K.G. - U.K.G.

The school joyfully celebrated World Earth Day with the little learners from L.K.G. to U.K.G. on 22nd April, 2026. The purpose of the celebration was to create awareness among children about the importance of protecting our planet and keeping our environment clean and green.

The day began with a short introduction where teachers explained the significance of Earth Day in a simple and engaging manner.

Children were encouraged to love and care for nature. Various fun-filled and educational activities were organized for the students. LKG children enjoyed thumb painting activity, creating a beautiful Earth using blue and green colors. UKG students took part in a collage making activity.

A short rhyme on “Save Earth” was recited by the children, making the learning experience enjoyable and memorable. Teachers also showed a small video related to saving the environment, which helped children understand the concept better. The celebration concluded with a message to reduce, reuse and recycle. The children actively participated in all activities and showed great enthusiasm.

Overall, the World Earth Day celebration was a fun and meaningful experience that helped instill environmental awareness in young minds.

World Earth Day

April 22, 2026

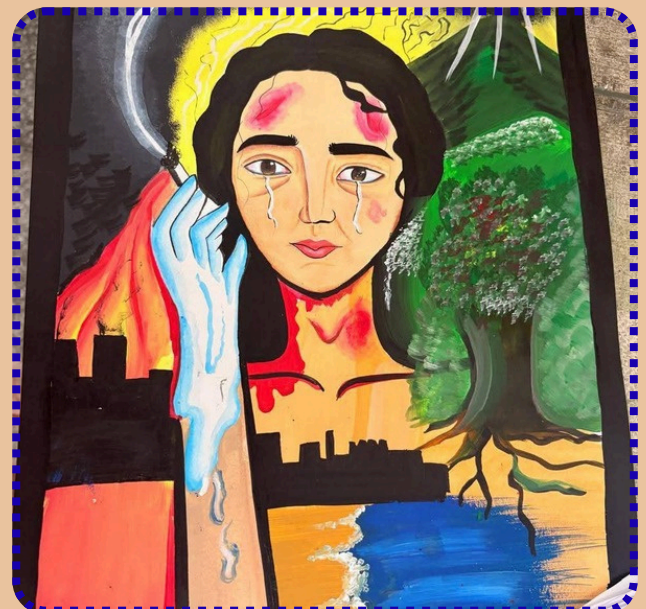

Grades: L.K.G. - U.K.G.

Young Voices for a Greener Tomorrow

April 22, 2026

On Earth Day, our student Himanshi (XII B3) received a certificate for participating in the District Level Earth Day Celebration, organized by the District Legal Services Authority, Panipat on 22nd April 2026 at Bal Vikas School, Panipat. We applaud her for representing the school with enthusiasm and commitment towards environmental awareness.

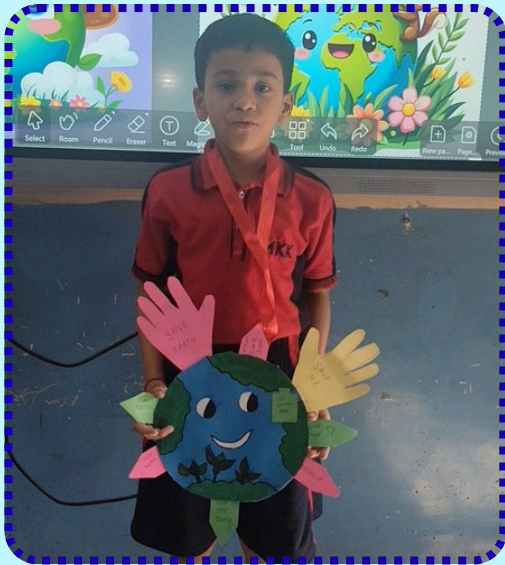

Declamation - Love Your Planet

April 22, 2026

Grades: I to III

A declamation activity on the theme 'Love Your Planet' was organized for Classes I to III to create awareness among students about protecting the environment. The children participated enthusiastically and spoke confidently on topics such as saving trees, conserving water and reducing pollution. Their speeches conveyed meaningful messages about caring for the Earth. Some students also used colourful posters and props to make their presentations more engaging.

Teachers encouraged the participants and guided them to adopt eco-friendly habits in daily life. The activity enhanced students' speaking skills and confidence while helping them understand their responsibility towards nature. The event was inspiring and served as a meaningful step towards nurturing environmental awareness among young learners.

Parent -Teacher Meeting

April 25, 2026

The first Parent-Teacher Meeting (P.T.M.) of the new academic session was successfully conducted on April 25, 2026, for students from Nursery to Class XII. The main objective of the meeting was to establish effective communication between parents and teachers and to discuss the overall development and academic plans for the session.

A large number of parents attended the meeting and interacted with the teachers. As it was the beginning of the session, teachers informed parents about the syllabus, teaching methods, school rules and expectations from students. They also shared initial observations regarding the students' behaviour and participation in class.

After the P.T.M., the Principal held a meeting with the teachers to discuss the feedback received from the parents. He also provided important guidelines to ensure the smooth and effective functioning of academic and administrative activities.

The P.T.M. was well-organized and productive, setting a positive tone for the new academic session.

A Visit to School Dispensary

April 28, 2026

Grades: Nur. to III

A visit to the School Dispensary was organized for the students of classes Nursery to III to help them understand the importance of health care and medical facilities. The children were taken around the dispensary and given a simple introduction to its different sections. The students visited the reception area where they learned how patients are registered and guided. They also explored the laboratory and were shown basic equipment used for simple tests. The children then visited the homeopathy clinic and understood how medicines are prepared and given.

डॉ. एम.के.के. आर्य मॉडल स्कूल में नन्हें विद्यार्थियों का डिस्पेंसरी भ्रमण

पानीपत। डॉ. एम.के.के. आर्य मॉडल स्कूल में नर्सरी से यूकेजी तक के विद्यार्थियों के लिए डिस्पेंसरी का शैक्षणिक भ्रमण आयोजित किया गया। इस सत्र के प्रथम भ्रमण में नन्हें विद्यार्थियों ने उत्साहपूर्वक भाग लिया और नई जानकारी प्राप्त की। इस गतिविधि का मुख्य उद्देश्य बच्चों को स्वास्थ्य, स्वच्छता एवं प्राथमिक उपचार के प्रति जागरूक करना था। साथ ही, डॉक्टर एवं चिकित्सा सेवाओं के प्रति बच्चों में सकारात्मक सोच विकसित करना भी इसका महत्वपूर्ण लक्ष्य रहा। कार्यक्रम के दौरान विद्यालय के प्रधानाचार्य डॉ. मनोज सरीन की गरिमामयी उपस्थिति रही। विद्यालय की सलाहकार श्रीमती मंजू सेतिया ने भी विद्यार्थियों का उत्साहवर्धन किया। इस गतिविधि का सफल संवादन सुश्री मीरा मारवाह द्वारा किया गया। डिस्पेंसरी में बच्चों को प्राथमिक उपचार की सुविधाओं से अवगत कराया गया। उन्हें बताया गया कि चोट लगने, बुखार आने या अस्वस्थ महसूस होने पर वे तुरंत डिस्पेंसरी में जाकर सहायता प्राप्त कर सकते हैं। साथ ही बच्चों को स्वच्छता के महत्व, हाथ धोने की सही विधि और स्वस्थ रहने के सरल उपाय भी सिखाए गए। भ्रमण के दौरान बच्चों ने जिज्ञासापूर्वक प्रश्न पूछे और डिस्पेंसरी की व्यवस्थाओं को ध्यानपूर्वक देखा। यह गतिविधि विद्यार्थियों के लिए ज्ञानवर्धक एवं रोचक रही। विद्यालय प्रशासन के अनुसार,

During the visit, the children became familiar with the school's health care facilities and learned about different medical equipment in a comfortable and friendly environment, which helped remove any fear or hesitation.

The physiotherapy room was another interesting spot where students saw different equipments used for exercises and body care. They also met the doctor and the dentist, who explained their roles and showed some of the tools used for treatment in a child-friendly manner. The children were very curious and asked questions throughout the visit. They learned about the uses of different rooms and the importance of maintaining good health and hygiene. The visit was informative, interactive and enjoyable for all.

Overall, the School Dispensary Visit was a valuable learning experience for the students.

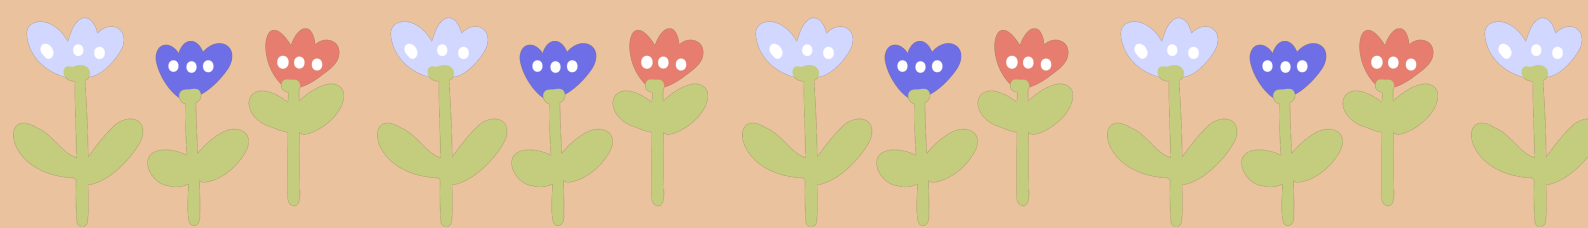

Awareness Programme on Anaemia and Adolescent Health

April 29, 2026

Promoting health awareness among students, an informative session on Anaemia and its treatment was conducted at Dr. M.K.K. Arya Model School, Panipat. The resource person, Dr. Manisha, District Adolescent Health Officer, working under the Rashtriya Kishor Swasthya Karyakram, sensitized students about adolescent health, the importance of proper nutrition and the prevention and treatment of anaemia through a balanced iron-rich diet and iron folic acid supplementation.

The interactive session witnessed enthusiastic participation from students and served as a meaningful step towards promoting healthy habits and well-being. The programme concluded with a token of appreciation presented to the resource person by Dr. Anjali Dewan and Ms. Cheshta Dhamija.

A decorative scroll with a teal gradient, featuring gold floral ornaments at the corners and tassels hanging from the sides. The text is written in a dark teal, cursive font on a yellow background.

Assemblies*

April 2026

Theme: Be the Change Maker – Youth as Leaders of Tomorrow

April 23, 2026

Grade: X - A

The Class X-A assembly on the theme “Be the Change Maker – Youth as Leaders of Tomorrow” was a powerful reflection of the confidence, creativity and leadership potential of our students. Through thought-provoking speeches, an impactful skit, an informative presentation, melodious songs, poetry, dance and an engaging quiz, the students beautifully conveyed the message that today’s youth have the power to shape a better tomorrow.

The assembly was a wonderful showcase of teamwork, talent and the spirit of responsible leadership under the guidance of Class In-charge Ms. Parul Miglani. Our respected Principal, Dr. Manoj Sarin, appreciated the students’ sincere efforts and encouraged them to continue becoming positive changemakers for the future.

Theme: Embrace Differences, Honour Diversity

April 24, 2026

Grade: VIII - A

The Class VIII-A assembly on the theme “Embrace Differences, Honour Diversity” was a beautiful celebration of acceptance, respect and togetherness. Through speeches, poetry, music, dance, a skit, quiz and an informative presentation, students powerfully conveyed that diversity is our strength.

The assembly reflected confidence, creativity and meaningful teamwork under the guidance of Class In-charge Ms. Rita Bhatia, inspiring everyone to value differences and foster harmony in society. The students deserve appreciation for their wonderful presentation, which left the audience with a strong message — when we honour diversity, we build unity.

A truly inspiring effort by our young learners towards building a more inclusive world, further enriched by the encouraging words and appreciation of our Honourable Principal Dr. Manoj Sarin.

Theme: Your Digital Footprint, Your Future

April 24, 2026

Grade: X-B

Every Click Creates a Future

In an age where digital actions leave lasting impressions, the theme “Your Digital Foot print, Your Future” was brought alive through an impactful assembly by Class X-B at Dr. M.K.K. Arya Model School. Through speeches, poetry, skit, music, dance, quiz and a presentation, students delivered a strong message on responsible digital behaviour and mindful online choices.

The assembly was a wonderful blend of awareness, creativity and confidence, reflecting the importance of digital responsibility in today’s world. Guided by Class Teacher Ms. Lata Thakur, the presentation was appreciated by our Honourable Principal Dr. Manoj Sarin and Language & Activity In-charge Ms. Meera Marwaha. The message echoed clearly — your digital presence is your lasting legacy; use it wisely.

Theme: Think Before You Follow – Be an Independent Thinker

April 28, 2026

Grade:X-C

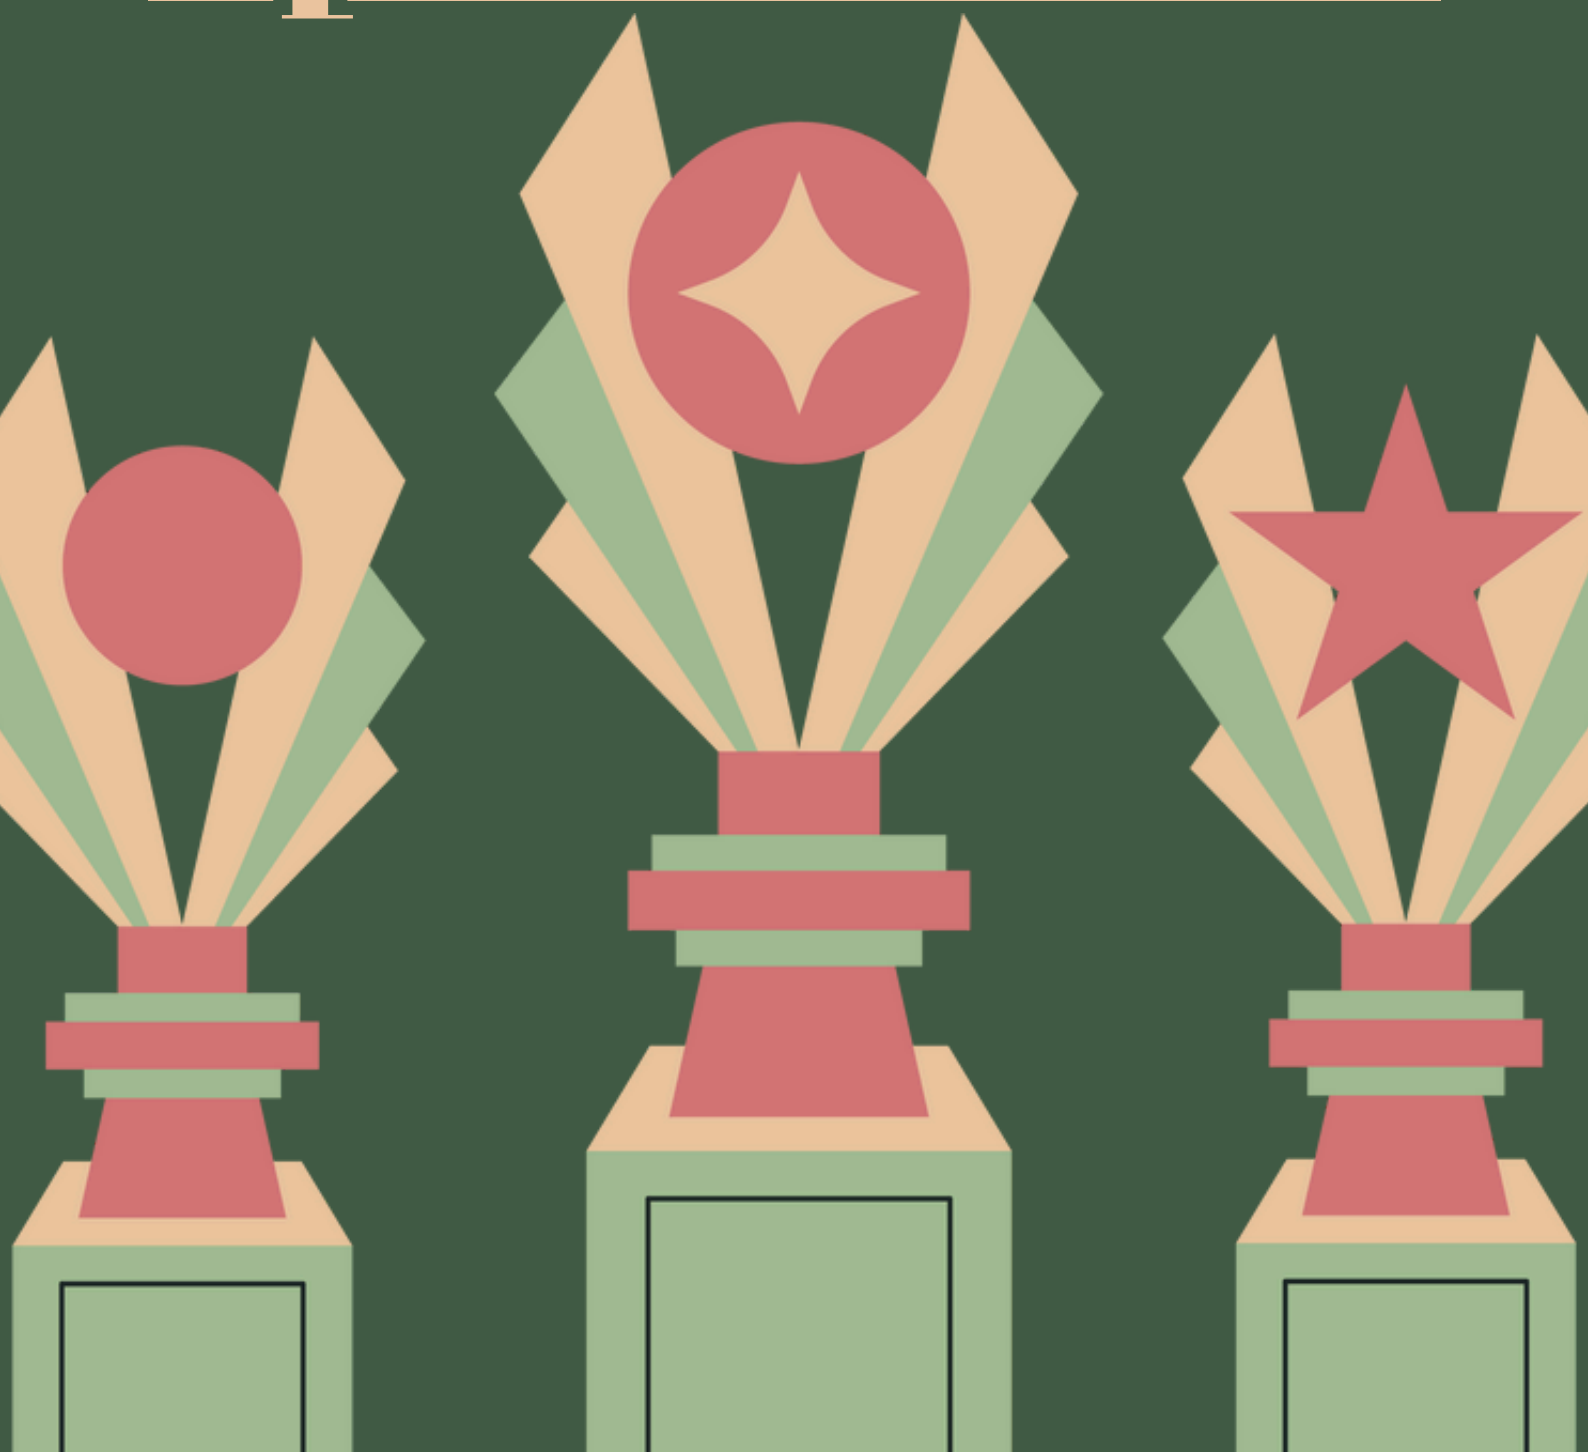

Think Before You Follow – Be an Independent Thinker

An inspiring message of awareness and wisdom unfolded as students of Class X-C presented a thought-provoking morning assembly on the theme Think Before You Follow – Be an Independent Thinker. Through speeches, poetry, a skit and a presentation, students highlighted the importance of mindful digital behaviour and critical thinking in today's social media-driven world.

The assembly effectively conveyed the message of making informed choices rather than blindly following trends. Guided by their class teacher - Ms. Veena Mishra , the students delivered a meaningful presentation that inspired all to reflect, question and think independently. Our respected Principal, Dr. Manoj Sarin, appreciated the efforts of the students and emphasized the importance of being thoughtful, responsible and independent thinkers in today's digital age.

Outside
